

August 2024

Dear Fabulous First Grade Families,

Welcome! We hope that you are having an amazing summer and creating wonderful memories together. As we approach the start of school, we are all looking forward to a fantastic year in first grade.

First grade will be a year of growth for your child. Your child will progress at his or her own rate, acquiring skills as he or she is developmentally ready. Together, we will embrace and celebrate all of the successful moments and gains that each child makes. In addition, maintaining each child's self-esteem while he or she is developing skills is a top priority. We want each child to continue to enjoy school, love learning, to be happy and to feel proud! It will be a fun and memorable year.

Please find a questionnaire attached for each of you to complete. This questionnaire is designed to allow us to learn a little more about each child in our class as the school year begins. It will help us focus on specific areas, alert us to sensitivities or needs, and allow us to assess and enrich strengths. We appreciate your help and honesty with this questionnaire. Please send it in your child's folder on the first day of school. If you prefer to email it to your child's teacher, that is great as well. Thank you!

A detailed letter will come home on the first day of school listing the times for our lunch, snack, and special area classes. Please be sure to check the virtual backpack on the school home page for important information throughout the year.

If your child does not bring lunch from home, he or she may buy lunch in the cafeteria. Each child has a student identification number that will remain his or her own throughout their academic careers. If you do not know it, we can provide it for you. It is best to commit it to memory, if possible, for both you and your child. You are welcome to go online to add funds to your child's lunch account at myschoolbucks.com or send in cash or check in a sealed envelope for that day's lunch.

The children will have snack daily for approximately fifteen minutes. Please send in a healthy snack and water bottle each day. We may have Physical Education on the first day of school, so please have your child dress accordingly. We will notify you of the schedule for our special area classes in the letter that comes home on our first day of school.

Lastly, when time permits, please refer to the supply list on the district's website.

The hard plastic pencil box should only contain 3 sharpened pencils, 2 glue sticks, 2 dry erase markers, 1 highlighter, scissors labeled with your child's name and 1 box of crayons (it is often easiest to empty the crayons into the supply box). All other supplies should be sent in on the days below and will be stored in bins for each child so that we can replenish supplies as needed throughout the school year. Please send the supplies based on the following schedule:

Tuesday (9/3) - 1 sturdy bottom pocket folder labeled with your child's name (this folder will travel to/from school each day), hard plastic pencil box with contents listed above, Play-doh containers and headphones in a Ziploc bag labeled with your child's first and last name.

Wednesday (9/4) - remaining pencils, glue sticks and liquid glue, crayons and notebook

Thursday (9/5) - remaining dry erase markers, markers and colored pencils

Friday (9/6)- paint pallet labeled with your child's name, wipes, paper towels and tissues

We are very excited to meet your children and look forward to an incredible year together. Please complete the information sheet that is included with this letter and send it back to school in your child's folder on the first day of school. Also, we kindly ask your child to complete the summer activity sheet that you will find included with this letter. This activity will help the students to get to know one another and begin to establish our classroom families as we share our summer adventures.

If you have any questions or concerns, please do not hesitate to contact your child's teacher. The telephone number at school is 791-4300. You may also email us at any time.

Thank you for sharing your children with us. We know that we will have a memorable year together and can't wait to meet your amazing children!

Yours truly,
The First Grade Team

1st Grade Student Information Sheet

Please answer the questions below and return to me at your earliest convenience in your child's folder. Thank you for your assistance! It is very much appreciated.

Child's Name _____

Does your child have a nickname that he/she prefers? What would your child like to be called at school? _____

Does your child have any siblings? Please include names/ages below.

Sibling: _____ Age: _____

Sibling: _____ Age: _____

Sibling: _____ Age: _____

Sibling: _____ Age: _____

Sibling: _____ Age: _____

List five words that best describe your child:

What are your child's interests? _____

Does your child have any allergies? _____

What language is your child speaking at home? _____

What would you like your child to gain from his/her first grade experience?

Please list your child's likes/dislikes below:

Do you have any concerns or does your child have any fears that I should be aware of?

Does your child currently receive any support services such as Speech, Counseling, Occupational Therapy and/or Physical Therapy or have they received these services in the past?

Will your child be picked up from school or will he/she take a bus home? If your child will be riding a bus, please indicate the bus letter your child will ride home.

_____ Bus: _____

Please list the email/phone number that you prefer I use to contact you.

Email: _____ Phone: _____

Thank you again for your assistance with completing this information sheet. If there is anything else that you would like to share, please use the space below or attach an additional page.

Dear Friends,

Please complete the *All About My Summer* activity sheet that is included with this letter. You can include photographs of your family, drawings or words to describe your summer adventures. We will be sharing them with one another and displaying them in school for all to see. Be creative and have fun! Please write your name on the back of your wonderful work, too. We are so excited to welcome you into our classrooms and to hear about the special memories that you created this summer.

Yours truly,

The First Grade Teachers
