A note from your teachers

Dear Families,

I have been teaching at Edna Louise Spear Elementary School for 28 years. You might have heard of me - the older one who taught 2nd grade in Room 306! Prior to Port Jefferson, I graduated with a degree in Early Childhood from Stony Brook University and worked as a preschool teacher in two different settings. I am very excited to return to my roots and provide learning opportunities through play and exploration, singing and dancing, calendar time and read alouds. I have been busy ordering, planning and creating a bright, fun and organized classroom with lots of opportunities for hands-on learning and developmentally appropriate content activities.

I am a Mom of two beautiful redheads Mackenzie and Anthony. Although my children are 25 and 20, I still cherish our “firsts” and know how important your child’s first school experience at Scraggy Hill will be. He/she will soon realize that Room 104 is a safe, kind and caring classroom where children can share what they think and how they feel. As September unfolds, there will be weekly newsletters and photos to view on my Google Classroom to enhance the conversations at home between you and your child.

I am enjoying the start of summer on my paddle board and at home with Tucker, my 11 year old white English lab. I wish you a happy, memorable and healthy summer! Enjoy every minute with your child(ren)!

Together, we will share a wonderful year in Pre-K!

Warm regards,
Mrs. Zajac :)

Dear Families,

I have been a teacher assistant at Edna Louise Spear Elementary for 25 years. At the start of my career, I worked for five years in the Pre-K and Kindergarten classes and then with older students in the ICT classrooms. I am SO excited to come back to Pre-K!

I enjoy spending time with my two grandchildren and my dogs. Here are my sweet dogs Eve and Millie! I love paddle boarding, sailing and watching the sunset.

Enjoy the summer with your friends and family!

Fondly,
Vicky Jobst
