Dear Parent/Guardian:

New York State Education Law and the Regulations of the Commissioner of Education require a physical examination of all children who enter a school district for the first time. It must be completed no more than 12 months prior to, or 30 days after entering school.

New York State Public Health Law, Section 2164, mandates that schools cannot permit a child to be admitted unless the parent provides the school with a certificate of immunization or proof from a physician that the child is in the process of receiving the required immunizations.

Attached are school forms for your convenience. According to law, these must be completed within 14 days of the child's entry to school. Please complete and sign the enclosed health forms, as well as the acknowledgement below.

If you should have any questions or specific health concerns, feel free to call the appropriate school.
