Dear Edna Louise Spear Families,

We are excited to continue with our Family Connect Nights. In our busy lives, we often do not have a chance to create and cherish time together with our families. We strongly believe that quality family time is essential to keeping families connected and will benefit both parents and children in many ways.

To encourage and support this important goal, we will designate one night of every month as Family Connect Night. This will be a night with one focus, togetherness. No homework will be assigned to students on these nights. The only assignment will be for your family to come together and share time.

Please join us to kick off our first Family Connect Night of the year on Wednesday, October 2, 2024. We invite you to stop by the All Purpose Room from 6 p.m. to 7 p.m., to play board games among family and friends.

Additionally, each date below will be designated as Family Connect Nights. There will be no homework assigned on these nights. Some of these nights we will host an in person event. More information forthcoming!
